Education

■ BSc IT

Gujarat University

2019 – 2022

Completed my BSc in Information Technology from Gujarat University, where I built a strong foundation in programming, web development, and database management. This course helped me understand core IT concepts and practical applications. It also strengthened my problem-solving skills and sparked my passion for creating digital solutions.

■ 12th Commerce

P.P Savani Vidhyalay

2017 – 2019

Completed my higher secondary education in Commerce at P.P Savani Vidhyalay. This period helped me develop analytical thinking, discipline, and a strong academic base. It also gave me a broader perspective that supports my professional and technical journey today.

Experience

■ WordPress & Shopify developer

Jan, 2022 – June, 2024

Adbrains Technology

- During my time at Adbrains Technology, I worked as a WordPress & Shopify Developer, creating custom themes, plugins, and responsive eCommerce websites. I dedicated myself to delivering user-friendly and high-performing solutions while meeting client goals. This role gave me the opportunity to handle diverse projects, improve my problem-solving skills, and grow both technically and professionally.

■ WordPress & Shopify developer

July, 2024 – Present

Self-Employed

- As a freelance WordPress & Shopify developer, I've helped clients build custom websites and online stores tailored to their needs. I focus on creating responsive, user-friendly designs and smooth eCommerce experiences. Freelancing has given me the chance to work with different clients, manage projects on my own, and keep improving my skills.
